We STRONGLY RECOMMEND the following:

1. Try lessons 1-8 ONCE. Do not complete lesson 9 at this point, even if you need it.
Use the pre-study “Baby Saver III” www.nursesed.net/nrp
2. If you need assistance with any of lessons 1-8, give us a call and schedule a meeting with Jane for “Assisted NRP”. Tell us which lessons you need assistance with. Jane charges \$15/lesson.
3. “Lesson 9” MUST be the LAST lesson you will ever attempt in this test! Once you complete lesson 9 the ENTIRE TEST IS LOCKED.

GROUND RULES for this test (you can read the full version in your “Instructions” section of your online NRP test”)

RULE 1: You have 2 attempts for each lesson. If you fail the same lesson twice, the entire test is VOID. You need to pay again, and take the entire test starting from Lesson 1.

RULE 2: When you click “Submit”, the computer scores your answers. If you did not pass, the computer doesn’t show you which questions you answered wrong. You’re in the blind!

RULE 3: Lesson 9 is the last lesson you will ever attempt. If you complete lesson 9, you cannot retake any of lessons 1-8, even if you only tried once.
